

# SOUTHEND BOARDRIDERS

## 100 CLUB (2014)

Want the chance to **WIN \$4050 IN COLD HARD CASH** whilst supporting your local Board Riding club?

The 100 Club gives its members the chance of winning real cash prizes in return for their much needed support. This is a membership based club that is completely separate to a normal surfing membership with the Boardriders.

As the name suggests a maximum of 100 members only can join and be a part of this exclusive club. Members receive an individual badge number (01-100) and they will have that number for the entire year (and also for as many years that they decide to remain financial). All members will receive a quality key ring with their membership number engraved on it and will be in the running for all cash draws throughout the year, including the 'end of year' party (**Free food & Piss**) and the major prize draw of **\$1500 CASH**.

**How it works?** After each monthly club contest (8x from March to October) throughout the season a \$200 cash prize will be drawn randomly. At the end of year we have a 100 Club Members only function where we will draw three major cash prize draws including a **\$1500**, \$750 and \$200 draw!

**The best thing is – you don't have to be there to win it! Once your number comes out – that cold hard cash is yours!**
